ORDER

By Order dated July 20, 2005, I addressed certain discovery issues. Dkt No. 54. As directed, the Defendants produced materials responsive to request "1-C." Dkt. No. 58. Plaintiff contends that not all responsive materials were produced. Dkt. No. 62. Apparently one responsive document was inadvertently omitted, but subsequently was produced. Otherwise defense counsel asserts that "the Defendants have fully and completely responded." Dkt. No. 63. I accept this representation, made by an officer of the Court.

With respect to request "1-M," Plaintiff and defense counsel have responded to the direction in the July 20, 2005 Order concerning the relevancy of this request. Dkt. Nos. 56 and 57. I find that this request is overly broad, that it would be burdensome for the Defendants to comply, that there are significant concerns with respect to the privacy of inmates who are not parties to this action, and that the relevancy, if any, is *de minimus*.

With respect to request "1-O," I direct the Defendants, **on or before November 2, 2005**, to provide Plaintiff with the name and address of the physician assigned during February, 2000.

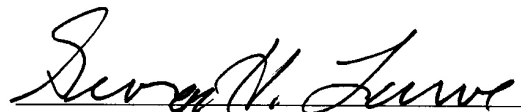

WHEREFORE, it is hereby

ORDERED, that Plaintiff's request for further compliance by Defendants with requests "2-C" and "1-M" is **DENIED**; and it is further

ORDERED, that **on or before November 2, 2005**, Defendants are to provide Plaintiff with the name and address of the physician assigned during February, 2000; and it is further

ORDERED, that a telephone status conference will be held promptly after final resolution of the appeal presently before the Second Circuit Court of Appeals.
